Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The **Customer Problem Statement** template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statements

PS-1: I am a customer trying to find and purchase books online quickly, but existing solutions lack unified search, inventory visibility, and secure ordering, because many bookstores have fragmented systems, which makes me feel frustrated and wastes time.

PS-2: I am a seller trying to manage book inventory and customer orders efficiently, but manual inventory tracking and disconnected order processing create errors, which makes me feel overwhelmed and reduces business efficiency.
