User Persona

Online Book Buyer

SAYS

I want affordable books, secure payments, fast delivery, and easy search.

THINKS

Is the platform trustworthy? Are reviews genuine? Is the book in stock?

DOES

Searches books, filters by genre/author, adds to cart, places orders, tracks deliveries, reviews books.

FEELS

Excited about discovering books, concerned about payment security, satisfied with timely delivery.

PAINS

Limited availability, slow checkout, poor search, delayed delivery.

GAINS

Convenient online shopping, personalized recommendations, secure transactions, order tracking, wide book selection.
